

Version / Stand: 24 Aug 2023

## **Sustainable Urban Health: Exploratory trip 2023 to the USA**

Raw travel notes:

1. Goals, topics, concept
2. New York City, 1-4 May
3. SF Bay Area, 8-11 May
4. International issues

References; acknowl.ment

Conclusions: to be completed

## **Nachhaltige Stadt-Gesundheit: Erkundungsreise 2023 in die USA**

Reise-Rohnotizen:

1. Ziele, Themen, Konzept
2. New York City, 1.-4.5.23
3. SF Bay Area, 8.-11.5.23
4. Internationales

Literatur; Danksagung

Folgerungen: in Arbeit

Rainer Fehr, Prof. Dr.med., MPH, Ph.D.; [www.rfehr.eu](http://www.rfehr.eu)

Faculty of Medicine / Medizinische Fakultät Ostwestfalen-Lippe (OWL),  
Universität Bielefeld; [www.urban-health.de](http://www.urban-health.de)

# 4. International issues / Internationales

**4.1 International Society for Urban Health (ISUH),** incl. „Accelerating City Equity“ (ACE) project and 19th International Conference on Urban Health (ICUH)

**4.2 InterAcademyPartnership,** incl. consultation: What are national academies of science and medicine doing in relation to urban health ...?

# 4.1 ISUH, ICUH23

## **International Society for Urban Health (ISUH),**

<https://isuh.org/>

Current project: Accelerating City Equity (ACE); sample publication: Nishita Dsouza, ..., Giselle Sebag (2023): Sustainability and equity in urban development (S&EUD): A content analysis of „bright spots“ from the Accelerating City Equity (ACE) project. Sustainability 2023, 15, 7318, <https://doi.org/10.3390/su15097318>

19th International Conferenc on Urban Health (ICUH): „Turning Evidence into Impact: Urban Health as a Global Driver of Equity and Social Justice“. Atlanta, GA, 6-9 Nov 2023 („ICUH23“), <https://isuh.org/conference/>

# ICUH23 conference tracks

1. Driving Health Equity, Combating Disparities
2. Mind Matters—Promoting Mental Health and Wellbeing
3. Prescription for Healthy, Equitable Places
4. Mobilizing Resources & Collaboration to Invest in Health
5. One Life. One Planet. One Society - Leveraging One Health and Climate Action in Cities
6. Cities for all Ages
7. #HealthyATL: Locally relevant work that is related to any of the above thematic areas

## 4.2 Academies and UH

Fawkes S, Sanders P (2022): What are national academies of science and medicine doing in relation to urban health and its broad determinants? Consultation for InterAcademyPartnership, [www.interacademies.org/academies-urban-health-broad-determinants](http://www.interacademies.org/academies-urban-health-broad-determinants)

Excerpt: (4.) Twelve strategic opportunities for national academies to lead on scientific efforts in urban health-related areas ... p.15: Forge strategic partnerships for urban health-related activities. Partnerships are essential for mobilising and accessing diverse types of resources and power, constructing new forms of knowledge, tapping into lived experience of population groups and taking action.

# Academies and UH (2)

(p.15, ctd.)

National academies could seek out appropriate partnerships with relevant local, national and international actors including those operating in public, private, and civil society sectors ...

[DeepL] (p.15, ctd.)

Nationale Akademien könnten sich um geeignete Partnerschaften mit relevanten lokalen, nationalen und internationalen Akteuren bemühen, einschließlich solcher, die im öffentlichen, privaten und zivilgesellschaftlichen Sektor tätig sind.

# (5.) Results & conclusions / Ergebnisse & Folgerungen

From the above information, a range of results can be derived, various conclusions can be drawn and recommendations developed. This utilization process is currently under way.

Aus der obigen Information lässt sich ein Spektrum von Ergebnissen herleiten, lassen sich Folgerungen ziehen und Empfehlungen formulieren; dieser Verwertungsprozess findet momentan statt.
